BUSINESS LEADERS FOR WOMEN

“Voices of the Women”

May 30 & 31, 2002

Canada's Aboriginal women have faced great hurdles in the past. While barriers to progress still exist, Aboriginal women are succeeding in areas that are having major impacts on families, communities, in commerce and the arts. Don't miss this opportunity to learn more about the new era of development for Aboriginal women—a time of reinvention, changing dynamics and renewed hope.
